

## 10 tips for buying a second-hand car!

### What to watch out for at a second-hand car dealer?

1. Do all cars have new TÜV-certificates?	yes/no
2. Does your car dealer offer any kind of warranty with their second-hand cars, for example the Car-Garante?	yes/no
3. Does your dealer sell his own cars only or is he acting as a broker for other dealers?	yes/no
4. What is your first impression of the exhibition ground and the second-hand cars offered there? Does everything look neat and well looked-after to you?	yes/no
5. Ask your dealer for permission to check the second-hand car of your choice through an independent expert service, such as Dekra, TÜV, GTÜ or others. If your car-dealer gives you permission he probably has nothing to hide.	yes/no
6. Does your car dealer offer you a replacement vehicle if the car you buy from him needs to be repaired in his garage?	yes/no
7. Does your car dealer cooperate with a respectable financing bank?	yes/no
8. Does your car dealer offer you a test-drive?	yes/no
9. Does your car dealer take your current car for trade-in?	yes/no
10. Does your car dealer guarantee that every car is completely and thoroughly checked before delivery?	yes/no
